*When your day seems topsy-turvy,
And as stormy as can be,
There 's nothing quite as tranquil
As a nice hot cup of tea.*

*While you savor this ambrosia
Your problems fade away,
It 's warmth will bring you comfort
and brighten up your day.*

*So take a private moment,
There 's a calmness as you 'll see
All because you briefly stopped
to sip a cup of tea.*
